

Request to Install a Satellite Dish

Date: _____

To: Property Management of Southern California (as agent for owner)

Re: Request to Install a Satellite Dish

Property: _____

We the tenants at the above referenced address, make a request to install a satellite dish. We understand the following if approved:

1. We are responsible for the cost of installation and this will not be reimbursed to us at any time
2. When the company completes the installation, there is to be no damage to the property. If there is damage, we are responsible for the cost of repairs and/or maintenance.
3. If the company installing our request requires written authorization, they are to submit their documentation to Property Management of Southern California directly, and Property Management of Southern California will complete same.
4. When vacating the property, it is our responsibility to disconnect the services, and pay all billings incurred.
5. Any damage incurred upon disconnection will be at our expense.
6. We understand all persons on the rental/lease agreement are required to sign below and all are jointly and severally liable.
